

2/27/2008  
12:38:35 PM

Sir,

I already re-installed the drivers for your Printer (HP LaserJet 4250). I also tested printing the document that we print a while ago, the one that took time to print. Now it printed faster. Please log on too your account and try printing. I will drop by later again to check if your problem was solved..

Thank you and have a nice day..

Steve
